Recovery Sheet 14

SJ Green

Recovering from the session delivered on the night of Wednesday 23rd April 2025. We talked about disaster recovery. You can view the recovery sheet for the previous week [here](#).

1 Active-Active

Description

1. **Recovery Point Objective (RPO)**. Description goes here.
2. **Recovery Time Objective (RTO)** Description goes here.
3. **AWS Backup** Description goes here.
4. **Active-Active model**. Description goes here.
5. **Warm Standby model** Description goes here.
6. **Multi-Region Backup**. Description goes here.
7. **Term 7**. Description goes here.
8. **Pilot light**. Description goes here.
9. **Term 9** Description goes here.
10. **Term 10** Description goes here.

2 Warm Standby

1. **Recovery Point Objective (RPO)**. Description goes here.
2. **Recovery Time Objective (RTO)** Description goes here.
3. The **AWS Backup** Description goes here.
4. **Active-Active model**. Description goes here.
5. **Warm Standby model** Description goes here.
6. **Multi-Region Backup**. Description goes here.
7. **Term 7**. Description goes here.
8. **Pilot light**. Description goes here.
9. **Term 9** Description goes here.
10. **Term 10** Description goes here.

3 Pilot Light

The pilot comes aboard ships in unfamiliar waters to sort out shit.

1. **Recovery Point Objective (RPO)**. Description goes here.
2. **Recovery Time Objective (RTO)** Description goes here.
3. The **AWS Backup** Description goes here.
4. **Active-Active model**. Description goes here.
5. **Warm Standby model** Description goes here.
6. **Multi-Region Backup**. Description goes here.
7. **Term 7**. Description goes here.
8. **Pilot light**. Description goes here.
9. **Term 9** Description goes here.
10. **Term 10** Description goes here.

4 Backup

1. **Recovery Point Objective (RPO)**. Description goes here.
2. **Recovery Time Objective (RTO)** Description goes here.
3. The **AWS Backup** Description goes here.

Introducing AWS Backup. Available at: <https://aws.amazon.com/about-aws/whats-new/2019/01/introducing-aws-backup/>

4. **Active-Active model**. Description goes here.
5. **Warm Standby model** Description goes here.
6. **Multi-Region Backup**. Description goes here.
